## About Us

DM School was established to give quality education to all children in that locality. To speak a few words about institution I would take Pride in telling you that the brain child behind the establishment of our institution is our beloved madam Prabha LM the President of our school ,her ambition to be among children and to impart quality education to children was given life by her father late Shri Muni kamaiah who is the epitome of discipline,determination and dedication. School management has provided a vast playground and unique infrastructure for the overall development of intellectual skills physical skills of every child .we have classes starting from pre nursery to SSLC along with teachers training College.

We have a well qualified staff to mould your child's career with latest innovative paedology which is well planned and designed. The very day your child takes the first step in our school the responsibility is on our shoulders to assure you that by the dedicated efforts of our efficient faculty your child will be guided and mentored in such a way that they will be the leaders and game changers of tomorrow

## Our Vision

DMPS Institute aspires for every child should have access to high-quality education with deep-rooted respect for a parent, teacher, elder, and the environment surrounding them. To make every child a good citizen with ethical & moral values. We assure you that we will bring out the best part of your child excelling in their career.

## Our Mission

To teach students the core values of life such as Humanity, Humility, and Honesty To provide a safe and respectful environment that builds the foundation for lifelong learning To stimulate returns that deliver excellence To enhance leadership qualities among our children and enrich personality traits, promote patriotism and moral values. To provide a student-centric learning environment through innovative pedagogy & education relation

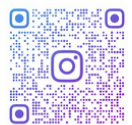

Creation, preservation & determination of knowledge, and pursuit of excellence in the study To reinvent education by giving emphasis on the traditional values of learning Giving one of the most advanced infrastructures such as a science & computer laboratory to increase the child's practical knowledge. To incalculable the values of national festival celebration
